'At the heart of  
our Community'

## Open Evening Wednesday 19<sup>th</sup> October 6:30 'till 8:00

This is our annual Open event when all parents and carers are invited into school to find out about one aspect of school life.

This year our focus is about ways to work together to improve our school.

We will start off by looking at:

- How we communicate with parents through the year with news and information on children-are there improvements to be made?
- How easy is it for parents to approach school with issues affecting individuals?
- Parents, School and your child
- Governors, School and your child
- Friends, School and your child

We will move on to:

- Improving our children's life chances:
  - Who is involved?
  - Who could be involved?
  - What opportunities are there for parents to be involved?
  - Consultations and decision making

The Friends of School Committee will be providing refreshments during the evening and we will try to ensure that there is a crèche facility available for anybody who needs one.

Please come along it is important that as many voices are heard so that ALL our children receive the best opportunities that can be available to them
