NOTES TO ACCOMPANY FORM OF APPLICATION FOR A TEACHING POST

1. COMPLETION OF FORM

ALL SECTIONS OF THE APPLICATION FORM MUST BE COMPLETED. Please note that a separate curriculum vitae is not regarded as an adequate alternative to full completion of the application form and the provision of a relevant supporting letter.

2. EQUAL OPPORTUNITIES

- a) The County Council operates a policy of equal opportunities irrespective of an applicant's or employee's sex, marital status, colour, race, nationality, ethnic or national origin or religion (though in the case of appointments to Church Aided Schools an appropriate religious commitment may be required). Age, Trade Union membership or non-membership. Applications will be welcome from persons with a disability who have the necessary attributes for a post.
- b) Each Local Authority is now required by the Department for Education to provide annual statistical information on the ethnic composition of its teaching force. All successful candidates for teaching appointments will be asked to complete a confidential questionnaire to be used for the preparation of these statistics.

3. PRESENT POST

a) **Status**

Candidates should ensure that they have indicated clearly their teaching status, as this has an effect on the level of salary paid. Teachers qualified for Further Education may not have qualified status in schools catering for pupils of statutory age. Applicants whose qualifications were obtained abroad must provide written evidence from the Department for Education that their qualified status is valid in England and Wales. The possession of a DFE reference number does not automatically indicate qualified status.

b) **Salary**

It is most important to include details of the composition of your present salary in Section C. This should have been notified to you by your present employer during the last year. If you have not been employed as a teacher since September 1993 then give details of your last known salary and allowances paid.

Candidates currently paid on Head or Deputy Head scales should please indicate the group number and salary only for their present post.

4. REFERENCES

a) **Applicants for Headship and Deputy Headship posts**

The first referee should be your present employer. This would normally be the Chief, Area or Divisional Education Officer, as appropriate.

For candidates currently at Deputy Headteacher level or below, the second referee should be the present (or most recent) Headteacher or Principal. A serving Headteacher should give the name of another person who is familiar with their professional work.

b) **Applicants for other teaching posts**

The first referee should be the Headteacher or Principal of your present (or most recent) school, college or place of employment.

The second referee should be another person who is familiar with your professional work.

Any reference relating to religious commitment which may be required in connection with an application for a post in a Voluntary School must be provided in addition to the two professional references.

c) **General**

The Local Authority reserves the right to approach any previous employer for a reference and may specifically ask for details of any disciplinary offences.

5. HEALTH

The Authority reserves the right in appropriate circumstances to require applicants to produce a certificate of fitness from an approved medical practitioner before a post is offered.

6. CONVICTIONS

Rehabilitation of Offenders Act, 1974 (Exceptions Order, 1975)

Please note that applicants for teaching posts are not entitled to withhold information about past convictions, "spent" or otherwise, under the terms of the above Act. The Act made a specific exception in respect of teachers in schools or establishments for further education and any other employment which is carried out wholly or partly within the precincts of a school or further education establishment which involves access to persons under the age of 18 as part of the employee's normal duties. The definition of a "teacher" includes a warden of a community centre, leader of a youth club or similar institution and a youth worker.

You must disclose any past convictions, cautions or bind-overs at the time of your application. In the event of employment being offered and taken up, any failure to disclose such convictions is likely to result in disciplinary action by the Authority which may lead to dismissal.

Any information may be given on a separate sheet from your application form and will be kept completely confidential. It will be considered only in relation to an application for positions to which the Exception Order applies.

In addition, the County Council, on Home Office advice, will require the successful candidate to agree to a Criminal Records Bureau check for convictions which may or may not be relevant to the appointment. A separate authorisation form will need to be completed after the interview.
